## Health, Safety and Environment Policy

NCE is dedicated to ensuring that no harm will come to people and assets and that there will be no negative environmental instances.

Our staff is committed to promote and execute a high standard of HSE principles at all times. NCE requires our staff to be serious about HSE and take this responsibility on a daily basis in workplace and personal lives.

### Our Policy:

- Ensure a safe working environment and maintain pro-active safe working systems.
- Comply with all applicable laws, regulations and standards, customer requirements and exceed these when deemed necessary in order to protect lives, assets and the environment..
- Prevent injuries, ill health and environmental impacts, by providing adequate resources, training, information, instruction and supervision.
- Ensure HSE consultation and communication with employees, Clients, Contractors, Suppliers and other interested third parties.
- Continually review and improve our HSE performance.

**Safety First. Don't take chances.**

**NCE –Responsible and sustainable engineering**
